Letter From Mr. Del Pizzo

MAPLEWOOD-RICHMOND HEIGHTS SENIOR HIGH SCHOOL
7539 MANCHESTER AVENUE
MAPLEWOOD 17, MISSOURI

FERDINAND DEL PIZZO,
PRINCIPAL

OFFICE PHONE: MISSION 5-8963

My fellow students:

In this brief message I want to point out to all students of the Maplewood Richmond Heights schools the tremendous power of education.

In this day and age when the world is engaged in a titanic struggle for the minds of men, it is gratifying to know that our school is helping each student realize his fullest potentialities and helping him become a responsible, mature citizen.

Our students who are applying themselves to their educational programs are making education an instrument of power. Their education is the same power that is behind the most forceful devices invented by man.

I wonder how many of us realize that education has enabled us to learn how to send our voices around the earth, how to increase the yield of corn, how to harness atomic energy, how to organize men into mechanical armies or into great industries and states.

Without education, men would live like animals. With less education than we have had in the United States, we would not have our present high standard of living. We might be living a few degrees better than the Indians, or the Pilgrims; and even that much progress would be due to the education that flows from experience.

But the power that comes with education is a power that all of us can attain if we just take advantage of the many educational opportunities available here at senior high school.

Sincerely,

Ferdinand Del Pizzo

Foreign Language Vary

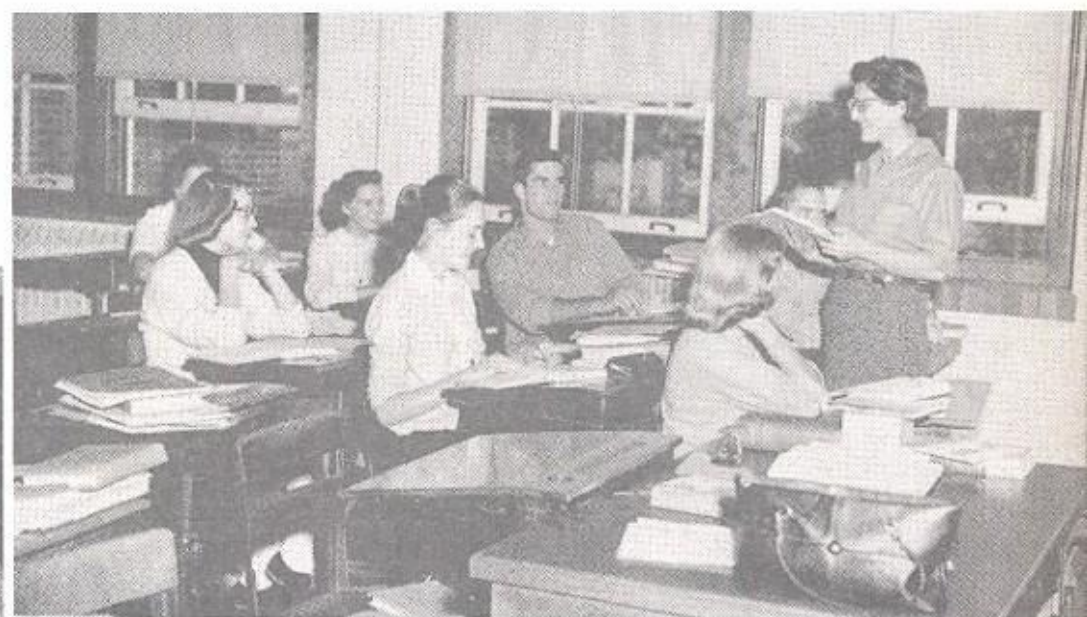

many hours of library work and many more hours of writing. Seniors feel that although it is one of the most difficult tasks they have had in high school it is also one of the most valuable.

Students who are planning to go directly into business or the trades usually take English Seven or Eight. In this course there is considerable emphasis on oral English and usage.

As college requirements gradually change, more and more students find it necessary and useful to prepare themselves in one of the foreign languages offered at MRH. It is important to note, however that many students who do not plan to attend college do avail themselves of the opportunity to become acquainted with the cultures of other nations. It is probable that as the world grows smaller, many more students will be urged to study a foreign language.

Social Sciences Objective

Since Sputnik I roared into outer space the American people become increasingly concerned about the preparedness of the United States in the physical sciences. Much has been written criticizing American education in science. The criticism has caused many schools to become concerned with science preparation — Maplewood-Richmond Heights among them. We here at MRH realize, however, that the physical sciences must not be permitted to overrun the school program. There has been a continuing effort on the part of our students and teachers to be aware of the human needs and values. We realize that if our way of life is to survive we must be educated to live it as well as educated to protect it. To this end the social sciences strive.

Freshman social studies tries to prepare the student for life at MRH, helping him to plan 4 year program, to begin thinking about his place in

the world of work, and to understand his state government.

American and World History classes emphasize the continuous struggle of mankind to be economically secure, politically free and able to enjoy the fruits of his own labor. At MRH it is felt that the educated man is more than a skilled specialist on a job — he is attuned to the forces of the ever-changing world and is able to understand and help direct the course of events which determine the success or failure of his nation.

Senior students have the opportunity to study psychology, consumer economics, world geography, and American problems. These courses prepare the college bound student (of whom there are many at MRH) for his advanced work and encourage the student who plans to leave formal education to feel that he can help solve the social and political problems which beset us.

Math Is All Students

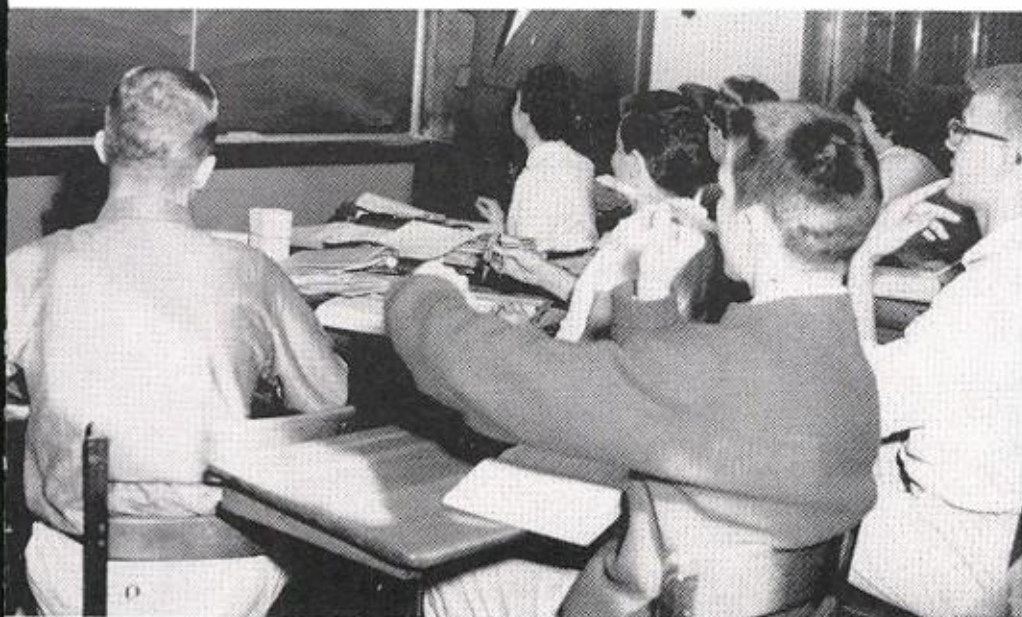

A constant testing program helps students to evaluate their progress and to eliminate weaknesses wherever they may be.

The usual four courses in science are offered at M-RH. Most students study at least two of these — general science and biology. In these courses the basic knowledge of the physical world is taught and the basic method of attack on problems is learned.

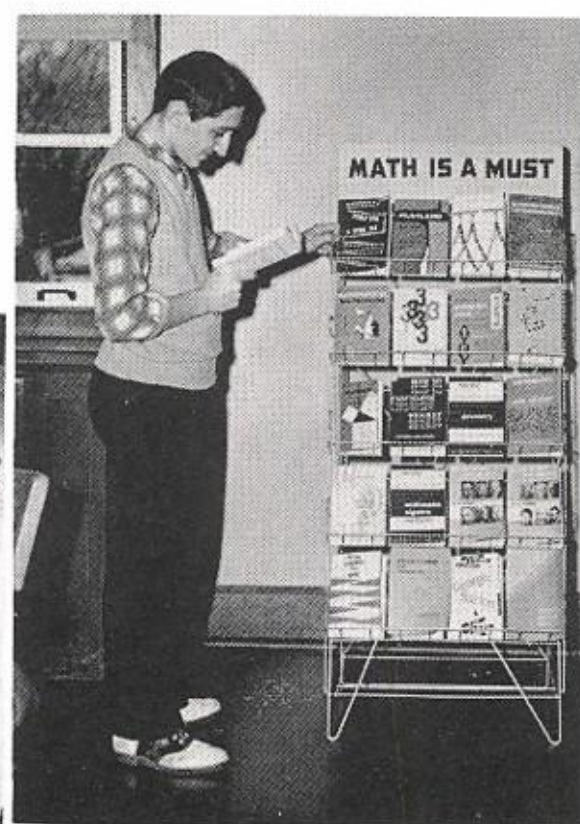

The large number of students who go on to chemistry and physics is attested by the fact that this year there are three chemistry classes and two physics classes in operation. In view of the fact that the total enrollment of the Junior and Senior classes is about three hundred and sixty students this means that more than one third of our students study advanced science. Many girls who plan to enter nursing and allied fields are found in the chemistry classes. Boys who plan to enter advanced training in science and engineering find that both chemistry and physics provide the essential requirements for success in college.

Practical Arts For Practical

MRH is essentially a traditional high school — not a technical school. However, it is the sincere belief that a liberal education today must include some practical skills, and must offer to certain students an opportunity to develop some saleable skills. Many students will terminate their formal education with graduation from high school. For these reasons the offerings in the practical arts are varied and fairly numerous.

Great numbers of students manage to take at least a half year of typing — a skill almost indispensable in many occupations and useful for all people. Many students, especially girls find that they can prepare themselves for office work by taking secretarial or office practice. Employers find that MRH graduates are skilled and useful employees.

Boys may take as many as four years of shop and mechanical drawing courses. The objective of course, is not to prepare mechanics for particular occupations, but is to develop individuals

with skill with basic tools. In addition many boys take shop courses for their own personal pleasure and enjoyment. As our society changes and individuals have increasing amounts of leisure time people find that manual skills offer pleasure and profit in home work shops.

In the Co-operative Occupational Education course senior students are able to get practical work experience on a job, earn some money, and learn in the class certain particulars applicable to the industry or trade into which they hope to enter after graduation. There are a fairly large number of MRH graduates who are now successfully pursuing occupations which they entered while still in high school.

Home Economic classes are offered all girls for all four years. In addition to the traditional experiences in cooking and sewing, girls now receive instruction in decoration and home management.

ity to express themselves in the fine arts.

The physical education program helps students maintain healthy bodies while they fill their minds with the culture of their society. The joy of competition is open to all on the class and intramural teams. With our excellent faculty and the wholehearted co-operation of the students we are able to overcome the handicap of lack of gymnasium and locker room space.

Finally we must not forget the counseling program. From freshman to senior, students avail themselves of opportunities for testing and guidance and are better able, therefore, to make the most of the opportunities open to them in school and after school.

A small group of people classified as special school personnel perform a large number of jobs. These people see that M-RH is run smoothly and efficiently, they insure the good health and well-being of the students, and make the school a comfortable place to be. Surely these persons deserve the co-operation and appreciation of the students.

Working hard to make the seniors' last year one to remember was the executive committee. With the aid of their competent counselor, Robert de Jong, they planned the senior activities. Among these were the Senior Prom and Graduation Night.

As a special project, gold M-RH pins with guard displaying '59 were sold to the seniors. Also, the executive committee aided the seniors by selling the calling cards.

Devil's Brew

Orchestra Accompanies Oklahoma

Row One: Roland, Cooper, Lewis, Kollias, Smith. *Row Two:* Mr. Dolan, Thompson, Clarke, Rice, Krohne, Sweet, Stevens, Giacobbe. *Officers:* Stevens, *President*; Smith, *Secretary*.

With fiddles hummin' and bows workin' the orchestra tunes up. This year the orchestra added to their list of performances, the operetta.

To provide all the musical accompaniment for "Oklahoma," the orchestra had to rehearse many long hours after school and in the evenings. This was added to the regular practices every morning during first hour.

The string and full orchestras are directed by Mr. Dolan. Both play a variety of music including classical, light classical, and novelty pieces to be presented at the annual Christmas and Spring Concerts. The orchestra again attended the All-County Music Festival in the spring.

Row One: Bradley, D. Wagner, Fagin Grayson, Michel, Schurig. *Row Two:* O'Neil, Stankey, T. Wagner, Winiger, K. Evans, Dickens, R. Smith, R. Enzenauer. *Row Three:* Judy Johnson, D. Bryant, Wallis, C. Davis, Hillebrandt, Newman, Mattus, Hale. *Row Four:* Sattley, Basse.

Band Serenades

OFFICERS — *Left to Right:* Bradley, Weber, Mr. Chard, Austin, Hillebrandt.

"We are loyal to the royal team of blue and white." These words are often sung by M-RH fans to the Varsity teams. There is a good reason also to be loyal to the M-RH Band that accompanies these words with music.

Early in the school year the band decided to improve its quality by practicing daily at 7:30 A.M. The band was seen in the morning, marching and practicing new routines with the football field damp with dew. As a result of hard work, the band made an impressive showing at the football games

Row One: Young, Sheets, Kramme, Conrad, Weber. *Row Two:* Schoene, Schenck, Graham, Rohlfing, Smilely. *Row Three:* Essman, Badalamenti, Deutschle, John Young, J. Essman, Sahagian, Sanford, Austin, Patton. *Row Four:* Frick, Walser, Kissel, Zelle, Helm Mr. Chard.

Daughters Of Confederacy

The Daughters of the Confederacy invited the band to play for them at the Coral Sands Room in the Chase Hotel. They also were invited to play at one of the Washington University football games. As usual they presented school concerts and played for pep assemblies.

The band members are especially proud of their new and striking modified West Point uniforms.

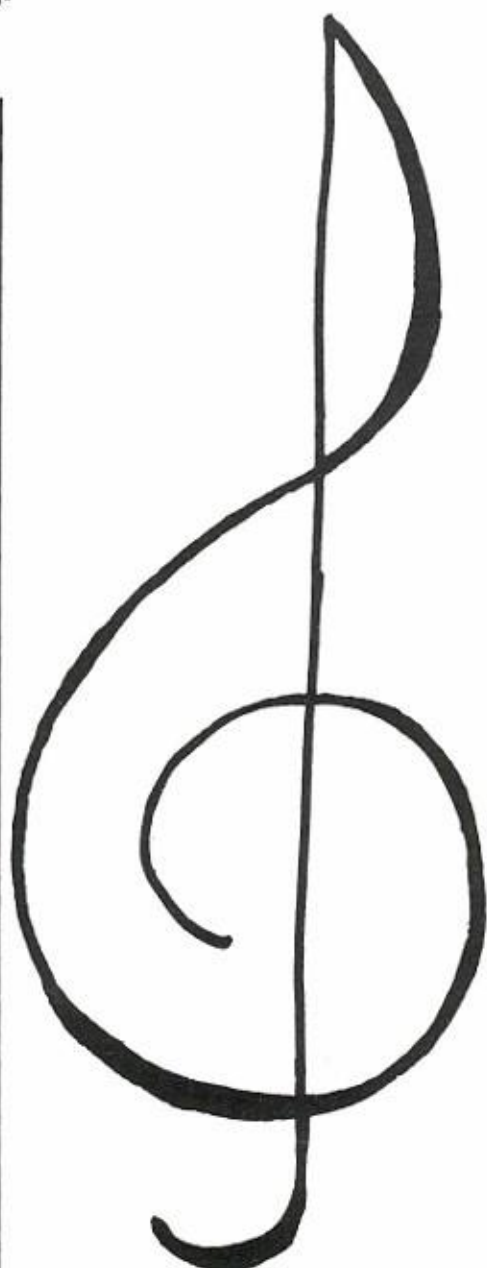

Seated: Roland. *Row One:* R. Graues, C. Johnson, Phillips, Eifert, Lewis, Weimann, Froeckmann, S. Kernick, Bragg, Theen, Gilbert, Feldman, Powell, Riggs, Weber. *Row Two:* J. Heggs, Gable, T. M-RH

A Cappella

The A Cappella Choir, directed by Jerry Gotler, gives students who are interested in vocal music a chance to learn a variety of music. The members of this group are chosen by audition. The audition eliminates all voices except the most outstanding.

The Choir met every day during fifth hour to practice. Most of the rehearsal time was spent practicing music for a program, but some time is spent in singing for the fun of it.

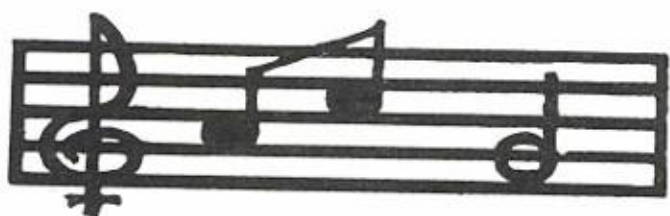

Seated: Sizemore. *Row One:* Wolf, Banayat, Simmons, Barnett, M. Mowry, Legge, Halker, Abrom, Chineth, Hockstetter, Leek, Schall, Holling, Greb, Judy Green. *Row Two:* Cardwell, Buck, Higert, S. Presents Choir

For its annual Christmas program, the A Cappella Choir presented Fred Waring's arrangement of the "Christmas Story." It also gave a Spring Concert and special assemblies for holidays. During the fall the choir presented a special program at the State Mental Hospital on Arsenal Street. There, the choir sang a special song written by one of the inmates. With this busy schedule, it is difficult to see how it managed to work on the operetta, *Oklahoma*.

Row One: Tripp, Charlton, Johnson, Done, O'Neil, Graham, Fridley, Zahrndt, Yonkers, Westerhoff, Benson, Bolte. *Row Two:* Nelson, Skweizer, Fiedler, Williams, S. For Our Dear Old School

When you hear shouting, yelling, and singing after school on Fridays, then you know that the Pep Club is meeting. The club is formed of students who are interested in promoting sportsmanship at M-RH.

Besides learning all the latest cheers so they can form an effective cheering section at games the club sponsors busses to away games. Add to this the selling of balloons, shakers, pins and mums and you have a very active group of students. This year as a special project the Pep Club gave a donation to the Moseley Memorial Fund.

The Pep Club show, by their example, that M-RH students are good sports whether they win or lose. Sponsoring this club very capably is Miss Jennevie Herman.

The Girls' Athletic Association, sponsored by the gym teachers, Mrs. Jackie Donahue and Mrs. Peggie Mohme, this year added an intramural program to an already busy schedule. The new intramural program gives many girls who could not participate in intramurals an opportunity to participate in their favorite sports.

Most girls who attend M-RH will remember taking part in some GAA activity. The GAA offers something to every member, whether or not she is a good athlete. Learning good sportsmanship when winning as well as when losing is only one feature of participating in GAA.

GAA members also enjoy making new friends and building their companionship. These girls develop character as they learn teamwork. Also developed in this organization, are leadership abilities as well as responsibility when officiating.

The GAA began their activities near the beginning of the school year by staging a welcome party for new members. The party included entertainment, talks by cabinet members and officers and refreshments.

The annual initiation of new members will always be remembered by those who participated in its wild activities. The hike, too, will be remembered as an outstanding event of the year. This year, the GAA, with feathers on their heads, held a pow-wow climaxed by a picnic.

Probably the biggest GAA event of the year was the traditional Backward Dance which gave the girls a chance to snare that "certain fella".

The year was ended by the GAA banquet at which girls having earned pins or letters received their awards.

Code Of Ethics Introduced

STUDENT COUNCIL OFFICERS — *Left to Right:* Buck, Bradley, Fitzgerald, Legge, Ulrich.

The Student Council accomplishes many projects during the year, but all are a part of its purpose. Service to M-RH. The Council tries to create better relations among the faculty, students, and the community.

After the "Maple Chest" was stocked, and business was booming, the Student Council turned its talents to other things. It sponsored the first dance of M-RH's social season during the Christmas holidays. As usual there was the "Ice-Breaker" in the early fall to make the freshmen feel at home, the sale of savings stamps, and the collection of canned goods for needy families. Along with these many things, the Student

Council adopted a Code of Ethics which is to be the goal of the M-RH student body and faculty members.

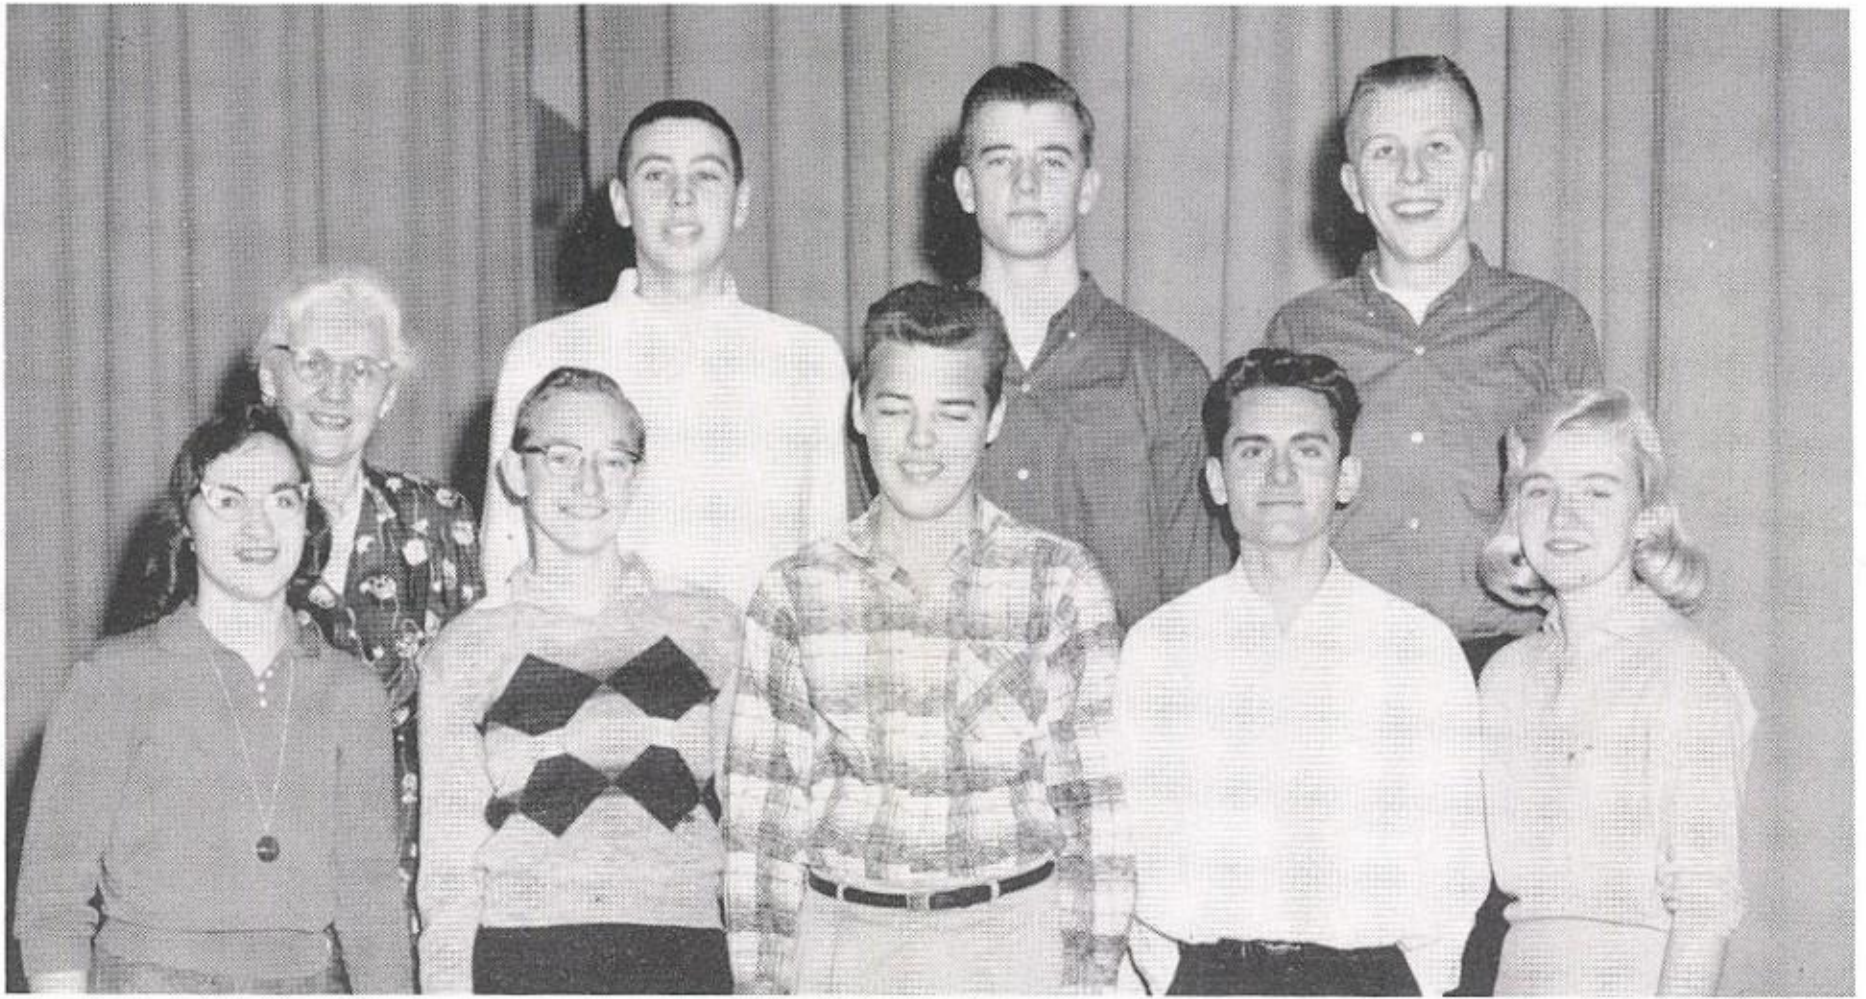

Each homeroom elects its representative, but everyone turns out for the election of the executive officers. For weeks posters are hung, speeches are made, and there is a lot of campaigning. There are meetings every other Thursday alternating between the first and sixth hours.

Sponsored by Miss Juva Sharp, and Warren Detering, the Student Council certainly does achieve its purpose and serve M-RH well.

Row One: Sharp, C. Brown, Heffley, M. Frick, Richardson, Renz, Detering. *Row Two:* Null, Wallis, Jordan, Furla, Barnett, Gross, Wise, Reinhardt, Roberts. *Row Three:* Jones, Cooper, Cardwell, Legge, Aitche, Simmons, Buck, Moore, Scott. *Row Four:* Bruding, Renz, Koelling, Farris, Kissel, Moreland, Seris, K. Although something is learned in most clubs, the Math Club devotes all its time to learning. The club meets on the second and fourth Thursday of each month and is open to anyone who is interested in math. With the aid of Miss Lucille Smith, the members learn modern math not taught in class. The Math Club tries to promote an interest in math and make people realize that math can be, and is, fun.

M-RH Aids Halyna

For 15 years M-RH has had a War Orphan Committee. This year it has again acted as foster parents to Halyna Tschiniak a Ukrainian-Russian girl. Contributions are made periodically to the homeroom representative. This money is used to buy Christmas and birthday presents for

Halyna. This year a skirt, sweater, shoes, and accessories were sent to her along with some candy. Before the gifts are sent, they are displayed in the trophy case so all the students can see them. Halyna has sent letters of appreciation to the M-RH students.

"M" Club

The M-Club, composed of junior and senior lettermen, began to function actively this year after its organization in 1958. The club, as one of its services to the school, supported the Moseley Memorial Fund. The M-Club members also aided M-RH during their dress-up days which inspired M-RHers to take pride in their appearance.

Key Club

The Key Club is composed of senior boys of above average scholastic ability. It is sponsored by the Kiwanis Club International of Maplewood and Richmond Heights.

The Key Club's purpose is to serve the home, school, community, and nation. One of their most unusual activities was playing the inmates of the State Mental Hospital in basketball.

The Future Teachers of America, sponsored by Mr. Warren Coy, was composed of those students who were interested enough in the teaching profession to attend early meetings before school every Tuesday morning. At these meetings, teachers gave short, informative talks on their particular field of teaching.

Some of the projects accomplished by the club this year were the collection of dog food labels for the purchase of a seeing eye dog, special

tutoring, and as in previous years, the management of the coat checking service at home basketball games.

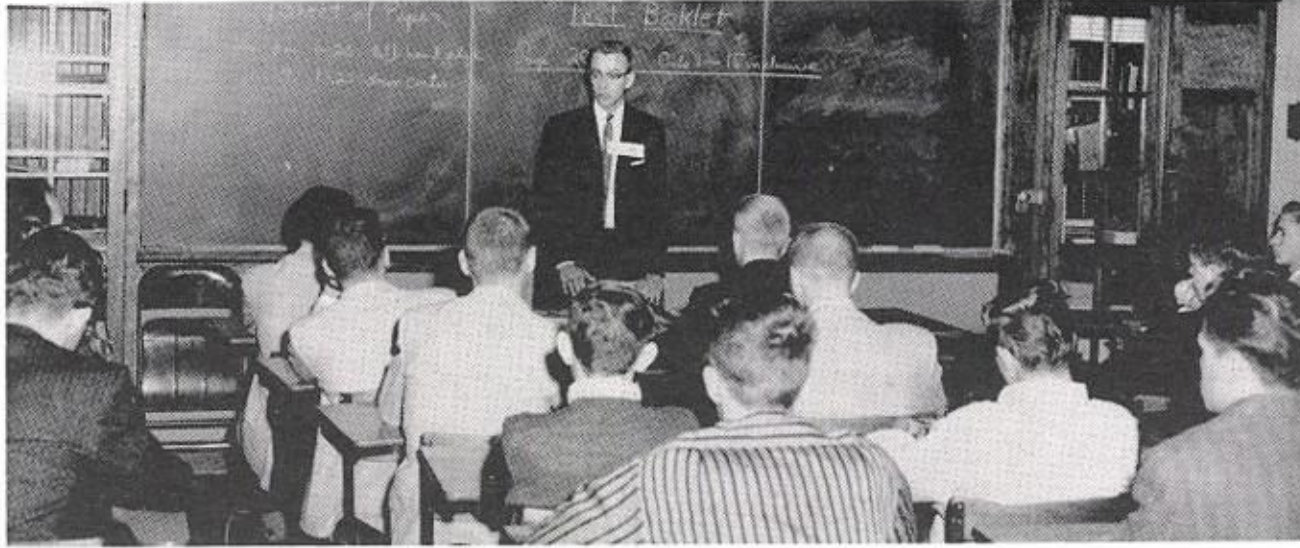

Field trips included a day at Washington University, an afternoon at Missouri School for the Blind, a visit to the "special school" at Valley, and attendance at the FTA county council meetings. The club also sent representatives to the Missouri FTA State Convention.

Juniors And Seniors Preview Future Vocations

OFFICERS — *Row One:* Dare, Schoenle. *Row Two:* Enzenauer, M. Mowry. *Row Three:* Weber, Sheets.

Career Day was begun during the 1940's to aid high school students in deciding on their vocation. The organization of Career Day is done by the Vocational Guidance Program under the supervision of Miss Lucille Smith.

A student could choose from the more than fifty professions, businesses, trades, and armed services represented. During the three one hour sessions, the students had a chance to learn about the occupation of his choice. He also learned some of the basic qualities that an employer expects from his employee. There was a qualified person from the specific occupation for each group. Each interest group was assigned a student chairman, secretary, and research secretary. Hostesses met the guest speakers on arrival. Members of the hospitality committee served coffee to the speakers in between sessions. This year the committee of sophomores and freshmen decided not to have their usual assembly.

Completes Annual

Although the room used to work in is small, the amount of work which is done is far from little. Almost every day after school, one could find persons busily at work in the tiny room on the fourth floor putting out a yearbook. Between 3 and 5 there can be found typists, writers, artists, and photographers in the "Pub" office all doing their part to create an annual.

These are not the only activities which go on behind the pages of the "Maple Leaves". There are many hard-working students who sell ads. Also many students work as homeroom salesmen.

AD SALES — *Row One:* LeGrand, Mowry, Smith, Roberts. *Row Two:* Nichols, Barnard, Reinhardt. *Row Three:* Moore, Grayson, Van Vleet. *Row Four:* Coy, Ellis, Bragg, Bartley.

For the student who is willing to give added effort and time, the editorial positions are waiting. The editors of the staff not only work long and late after school, but often take their work home. They are willing to give up luxuries such as eating and sleeping to meet the hated deadline.

JUNIORS PREPARE FOR ANNUAL PROM

With only a week to go, the juniors are counting the days until the Junior-Senior Prom. As the awaited night of March 21 approaches, they are diligently working to complete preparations for the dance.

The junior class officers, under the direction of their sponsor, Miss Mabel Rounseville, have appointed various committees and their chairmen. They include: coronation, Judy Jones, Lois Rischeck, and Mary Smith; decorations, Jerry Proemsey, Joyce Roberts, Ruth Seris, Sherry Trower, Doris Plessner, Joline Kollias, Judy Green, and Judy Reinbold; entertainment, Denny Sanford; refreshments, Sharon Brown, Phyllis Oliver, and Suzanne Holthaus; reservations, Sharon Joller, Dottie Meyers, Ruth Seris, Sharon Schweizer, and Vicki Jackson; invitations, Wanda Jordan, Katie Stecher, Vicki Jackson, Kathy Vincent, and Gailene Longwith.

Traditionally, the court will consist of a senior queen, two senior maids of honor, six special junior maids, and twelve junior ribbon-bearers. As in past years, the senior girls were chosen by popular vote of the members of the junior class, and the junior girls were selected by the popular vote of the senior class.

All that we are allowed to tell about the theme of this year's Junior-Senior Prom is that it will be very new and very different.

Once again music will be provided by Jerry Gotler's band as it has been at previous successful M-RH proms. Tickets may be purchased for \$2 a couple, and the dance will be from 8:30-11:30.

In the months preceding the prom, the juniors have worked industriously on fund-raising campaigns to finance the dance. Such projects included the car wash, the bake sale, and "pennies for the prom."

OFFICERS — *Row One:* Lewis, *Treasurer*; Brown, *Secretary*. *Row Two:* McGregor, *President*; Van Vleet, *Vice-President*.

"Le Cercle Francais," generally known to M-RH students as the French Club, actively worked toward their goal of learning about French life, culture, and customs. Under the sponsorship of the new French teacher, Mrs. Judson, the club met once a month. Each meeting featured a program accompanied with refreshments. Activities included viewing films and slides of French life, playing French speaking games, and dramatizing French plays and other material.

Anyone with an interest in the French and their language may become a member of "Le Cercle Francais."

Youth For Christ is one of M-RH's newest clubs as it was just organized last year. It is a branch of the largest national high school organization in the U.S.

YFC offers Christian youth an opportunity to be with others who believe as they do. The group tries to witness for Christ individually and as a whole. It also offers a chance to discover Christian talents. Some talented YFC member will spend a month in a foreign country this summer.

YFC sponsored a quiz team for the first time this year. Also it presented an assembly for the whole school. YFC had good times with other clubs in the area including a taffy pull with Normandy and a social Sandwich supper with Webster. Plans have been made to continue their activities this summer.

School spirit soared this year, largely due to the efforts of our M-RH Cheerleaders led by Captain, Nancy Halker.

The girls, sponsored by Miss Herman, led cheers (many of them new) and promoted good sportsmanship for our winning football and basketball teams. Sparked by the cheerleaders' vivaciousness, the M-RH fans loyally supported our teams.

With a 5-4 record, the Blue Devils had their first winning season in some time. Coach Don Hanners gave the team a new spirit which had been lacking before his arrival this year. Also, spurring the Devils to victory were Assistant Coach Chuck Seng and co-captains Neal Wetzel and Jack Ruppel. Another boost to the team's morale was the arrival of new uniforms. After a few games, they hardly looked new.

With such victories as Hazlewood and Brentwood at home, the team gave M-RH fans a good show on its own grounds. The team also had its other moments. The Webster game, played knee deep in mud, is a good example.

The individual "Blue Devils" brought home many honors to M-RH. Elected as All Conference players by the Post-Dispatch were Bill Housewright and Neal Wetzel. The Globe-Democrat

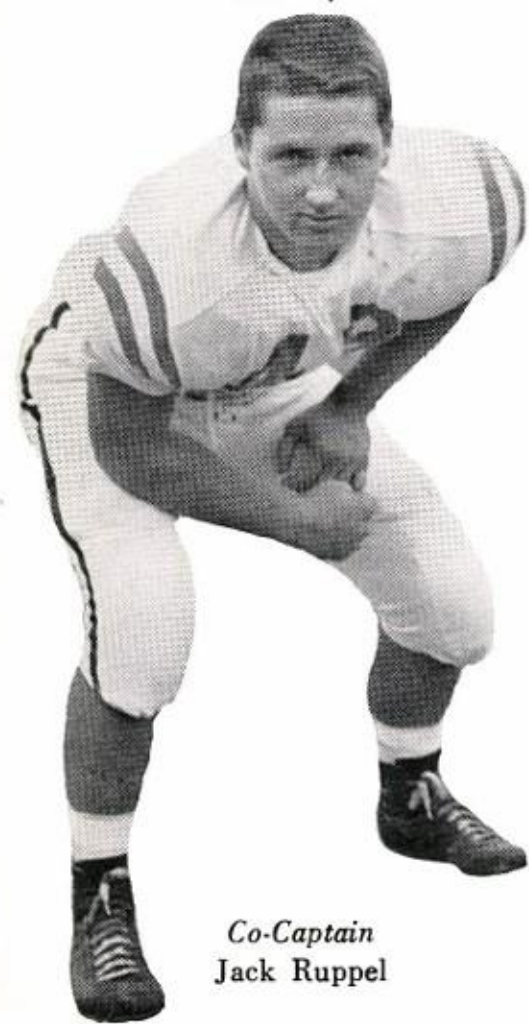

selected Bill Carr, Neal Wetzel, and Jerry Lewis for its team. Within the team itself, Don Fitzgerald was voted the Most Outstanding Back; Neal Wetzel, the Most Outstanding Linesman; and Ray Reinhardt, the Most Inspirational Player.

These boys, along with others on the squad, worked together to create a fine spirit of teamwork and brought a winning streak to the "Blue Devils".

The 1958-1959 season for the "B" football team was quite a success. The team had many exciting moments and a few disappointing ones. One of the highlights of the season was the winning touchdown scored by Eugene Bruce during the Riverview game. With about three minutes to go in the last quarter, and M-RH losing 14 to 20, Bruce scored the final touchdown. Within the two remaining minutes, he caught a short pass making the extra point needed to give the "B" team the lead. This lead was held until the final gun making the game 21-20. At the end of the "B" team season, most of the boys practiced with the Varsity and dressed with it for the remaining games. This gave the team a taste of Varsity football for next year's season. The talent found on the "B" team almost insures the M-RH Varsity for a successful '59-'60 season.

From the beginning of the season at Herculanum, it was obvious that M-RH's Basketball Team was going to have a successful season. Before Christmas, Coach Howdy Sanders introduced a new type of tournament in which the Leafs were victorious. The first loss of the season was suffered at the hands of University City. Gradually, the Leafs were eliminated from the league championship. The "roundballers" took a second place in the regional play losing to C.B.C. The 1958-59 season of the Leafs certainly gave the fans all the excitement and thrills they expected.

Suburban Champs

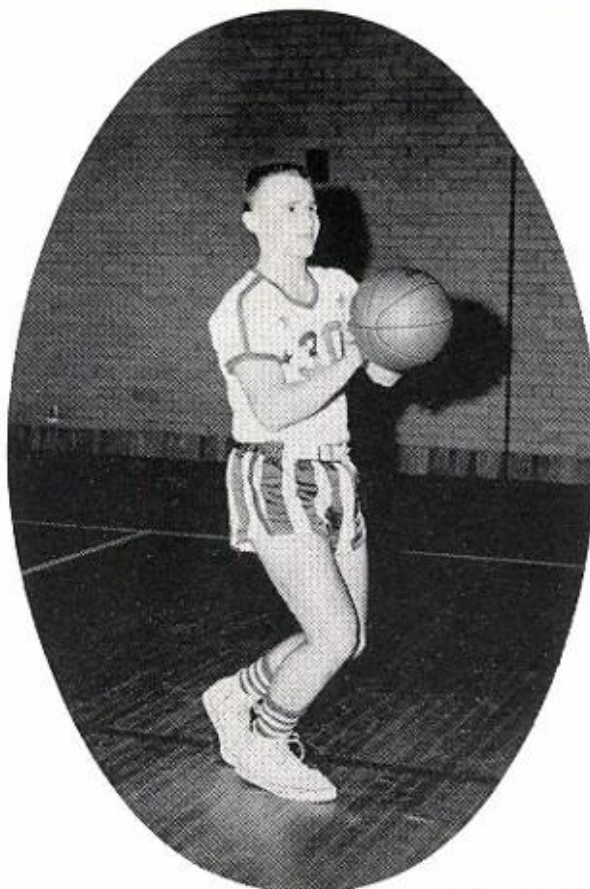

1958-1959 Record

This year's "B" basketball team tied for first place in the Suburban League Conference. The team also took second place in the Suburban League "B" Team Tourney. Not everything went smoothly for the team. After winning the first five games, the team lost three in a row. The "B" team then bounced back to win eleven games and remained unbeaten until Ladue beat it in the tournament.

Cross-Country Outscores Opponents

The cross-country team this fall outscored every opponent. The scoring system of a cross-country meet is slightly different from that of other meets. Points are given to the first five runners of each team. In order to give the team a better chance to win, a large team is necessary. M-RH was greatly hindered since the team only had eight members at its peak. Only five of those were regular.

This did not dampen the spirit of the team. Although many times the weatherman tried to dampen them with rain, snow, and sleet, the members of the team trained diligently.

The main object of cross-country is to get trackmen in shape. Two members of the cross-country team received awards for their superior work. They were Clark Davis who finished fourth in the suburban race and Dave Pretto who finished seventh.

Co-Captains Overpower Opponents

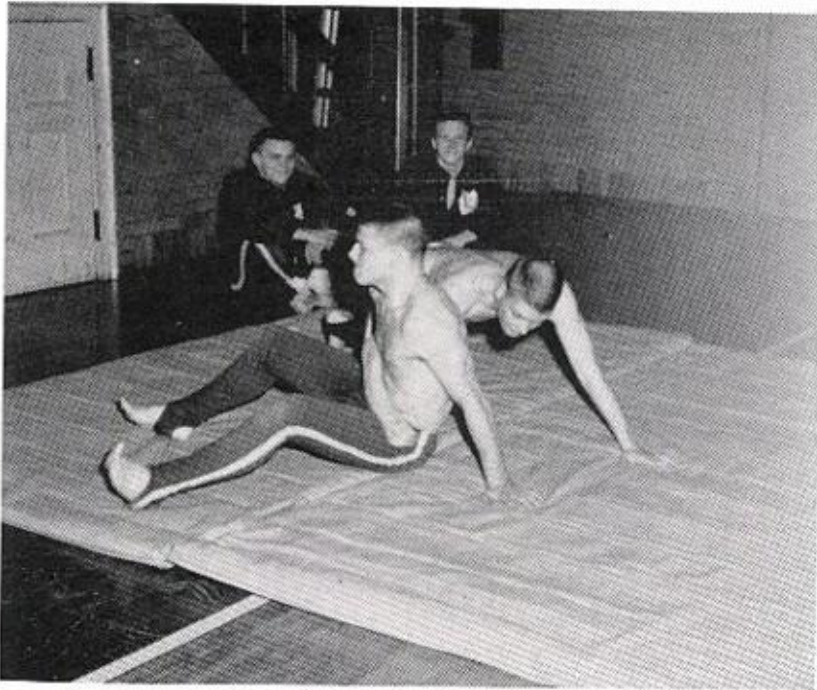

The M-RH 1958-59 Wrestling squad displayed its usual ability on the mats, winning 13 and losing only 4. Spurred by Co-Captains, Bob Behrens and Dave Gannon, they tremendously overpowered many opponents.

Although hindered by many injuries, the team managed to stay on top. Early in the season, previously elected Captain, Jerry Nieder, was injured. However, the Maple tree was young; and as the old Leafs fell, new ones grew in their places.

Eleven of the M-RH wrestlers placed in the Regional tournament held at our school. Three of those went on to place in the state competition. They are Thompson, 3rd place; Gannon, 4th place; and Fitzgerald, 4th place.

The team's highest scores were Terry Breeding's with 61, Maurice Clawson with 55, Eddy Thompson and Dave Gannon with 52. Coaches, Paul Cochran and Chuck Seng, are looking forward to an even better season next year with light, first string wrestlers returning.

Trackmen Victorious

M-RH has always had excellent track teams, and this year was no different.

In a triangular meet with Ritenour and Cleveland in the beginning of the season M-RH took second. Maplewood had many trackmen qualify in the annual Maplewood Relays and had prospects of breaking the mile record in it. Some of the outstanding track men are Jerry Chipps, Howard Jarvis, Harold Fisher, Clark Davis, John Barnhart and George Bartley. Coached by Don Hanners and "Howdy Sanders, the boys worked hard for a successful season.

Hockey Starts Off In The Fall

Ugh! Crack! Bang! — This is hockey season, the time of year when girls take whacks at each other with long, curved sticks. After intramurals were over, the class teams were picked. The Varsity players were then chosen from the class teams. Although the hockey teams were not too successful this year, the girls had a fighting spirit and a good time.

Basketball Takes Hold In Winter

Basketball is always a favorite sport at M-RH. Every girl had a chance to play during the intramurals. The most skilled players were then chosen to be on class teams with the exception of the freshmen. Varsity players were selected by their performances on class teams. Most of the teams had fairly good records.

Christmas Dance Opens Social Season

Left to Right: Watson, Drexler, Frick, Carr, Schoenle, Ruppel, Mowry, Fisher, Behrens, Dare, Sweet.

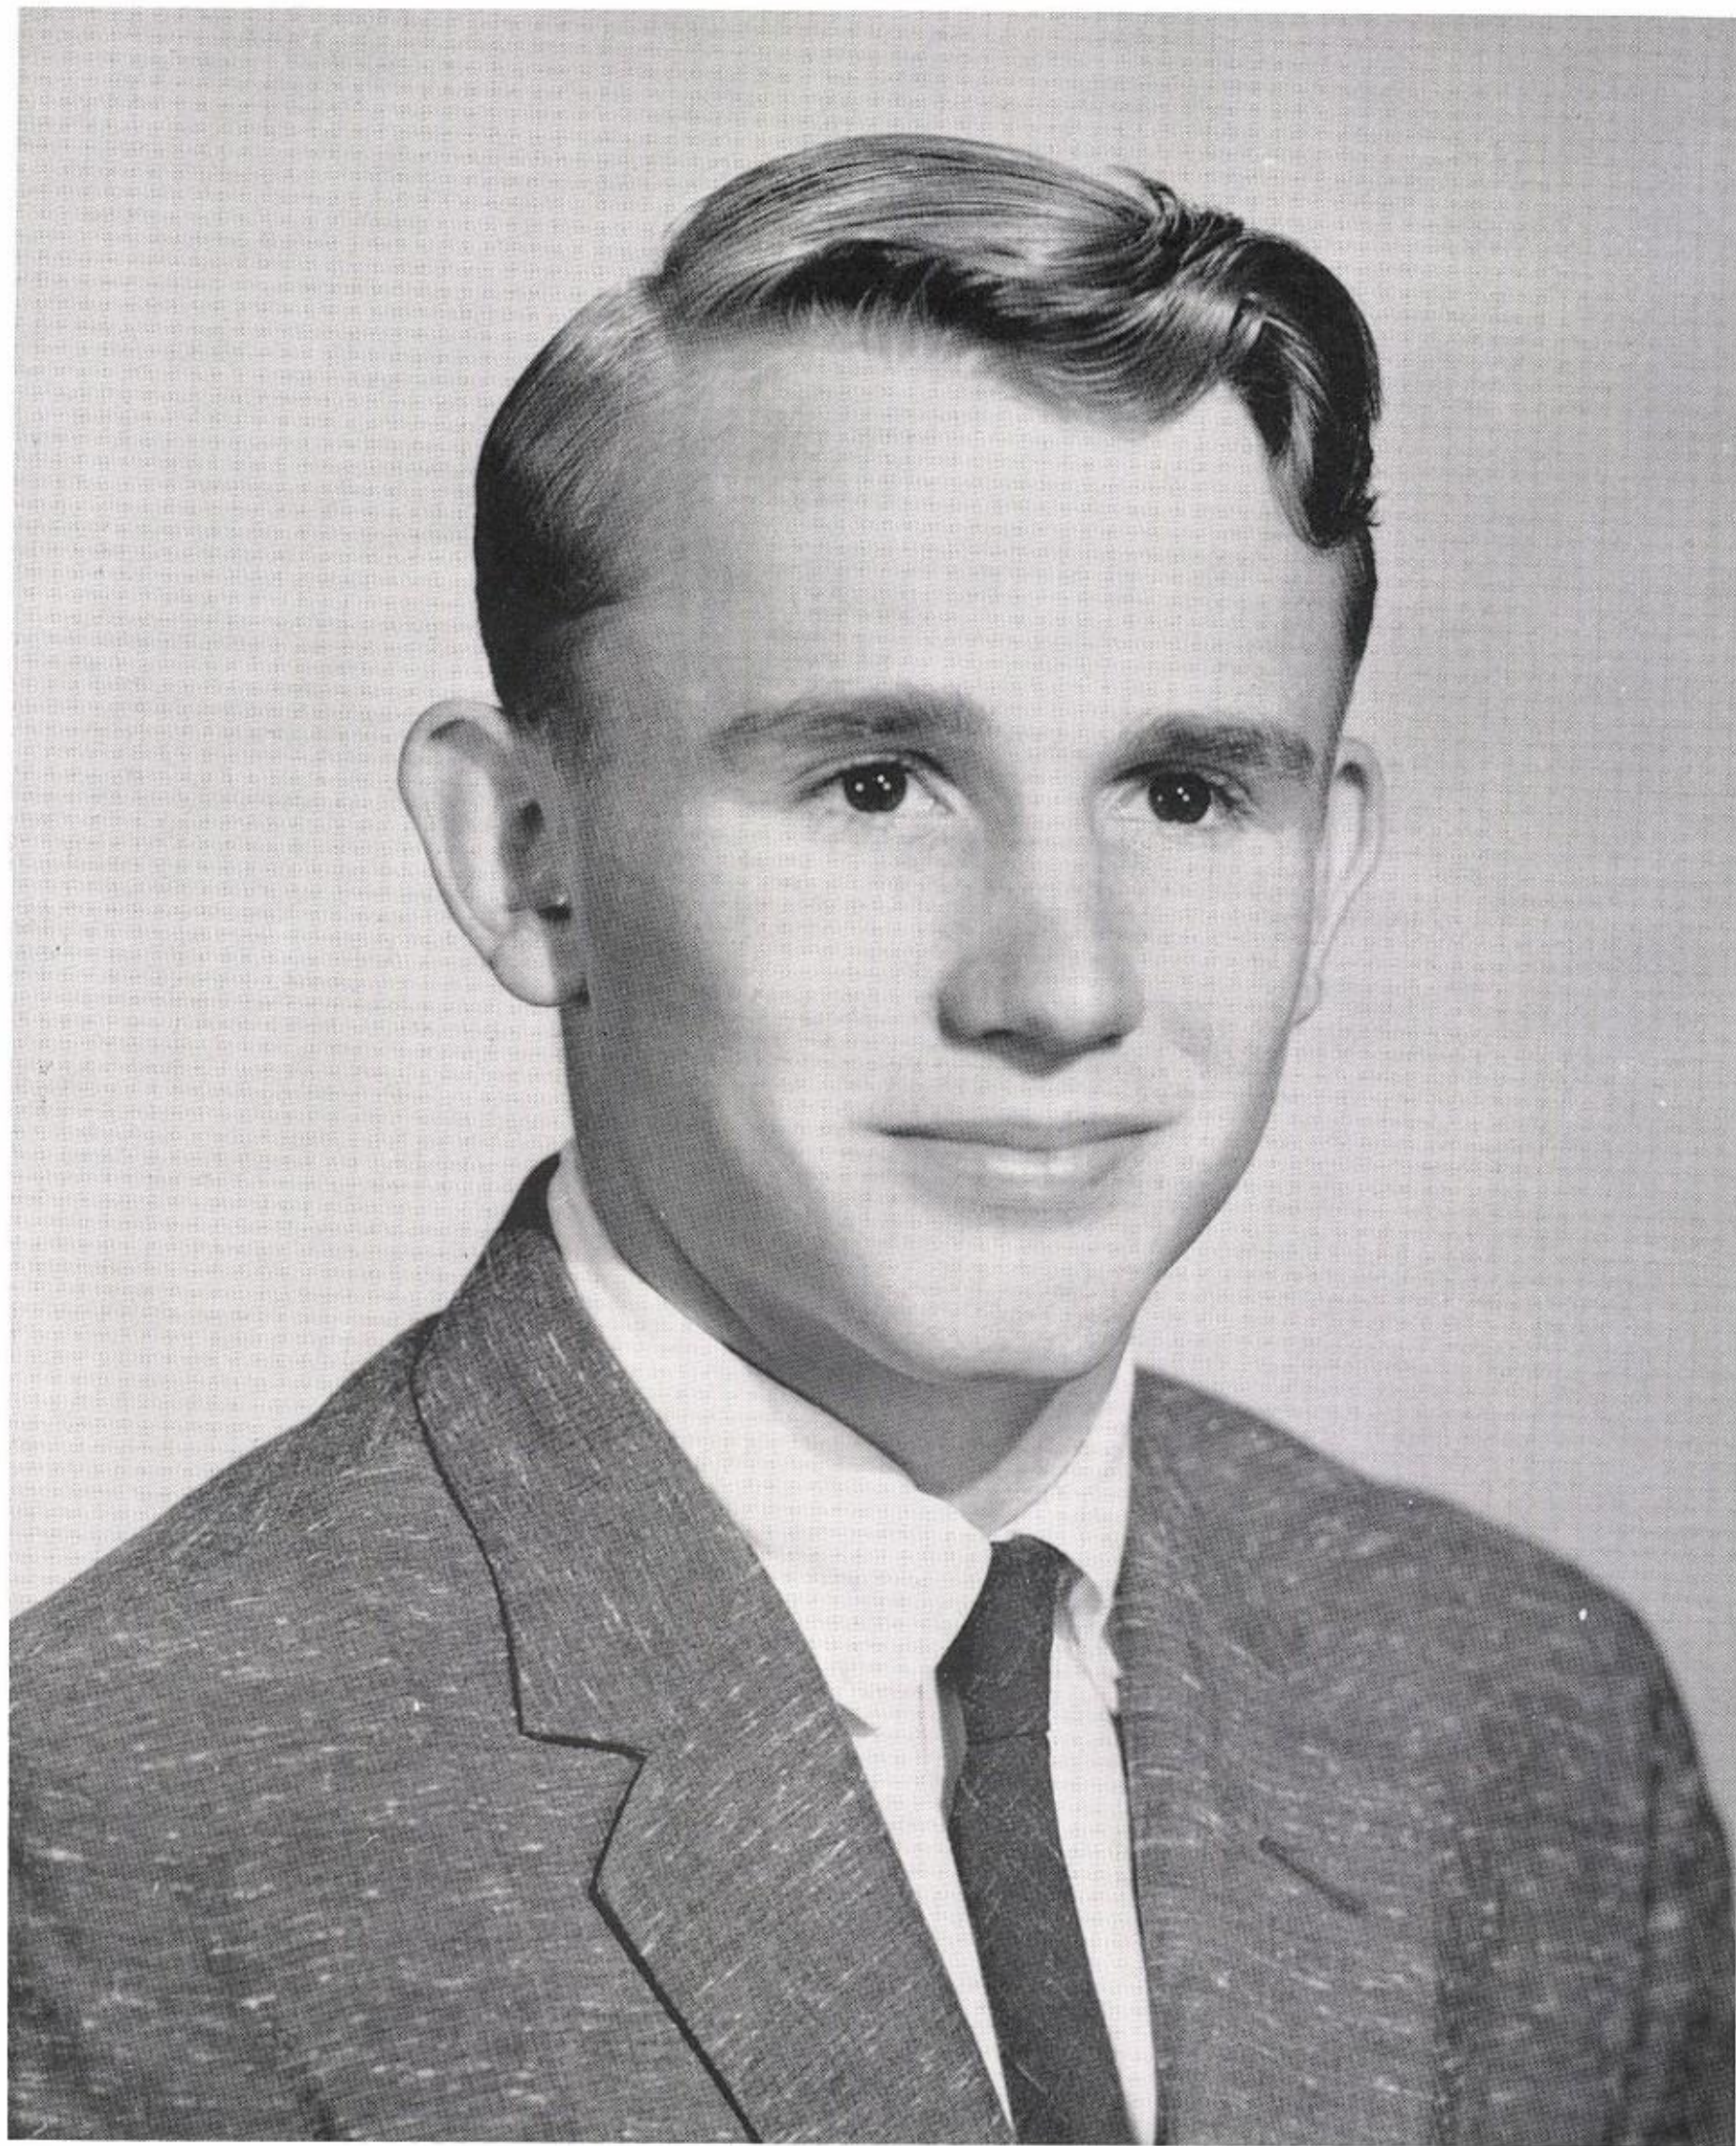

Opening the 1958-59 social season was a Christmas Dance sponsored by the Student Council. In keeping with the gala holiday mood, the gym was adorned with the traditional yuletide greens, set off by a large Christmas tree which served as the background for the throne.

Attempting something new this year in the election of the court, the Student Council issued ballots to everyone as they arrived at the dance. Chosen as reigning royalty for the evening were king, Bob Behrens and queen, Pat Mowry. Special maids and jacks in the court were Jane Frick, Lynne Schoenle, Joyce Watson, Bill Carr, Tom Drexler, Harold Fisher, and Jack Ruppel.

Adding to the entertainment of this festive evening was the music of Jerry Gotler and his band.

Row One: Rahn, Watson, Buck, L. Gross, Schoenle. *Row Two:* Austin, Judy Green (11), Frick, Leggé, V. Stecker, Cardwell.

BACKWARDS DANCE

The GAA Backward Dance had the theme, "Winter Wonderland." The throne, a mist of blue and white angel hair, snow, white-sprayed trees and an authentic sleigh emphasized the theme.

The GAA Cabinet performed its traditional dance in honor of the unknown court. This year, dressed as skaters, the girls danced to "The Skaters' Waltz."

After the coronation, the Court led the dance to the music of Jerry Gotler's Band.

"A Japanese Theme Prevails at Jr. Sr. Prom"

Japanese lanterns, willowy trees, and miniature pagoda table decorations suggestive of Japan presented a picturesque theme for the Jr. Sr. Prom.

The Japanese word, Sayonara, meaning goodbye, represented the juniors good wishes for the seniors after their graduation. The seniors of 1959 gratefully thank the juniors for a wonderful evening long to be remembered.

Baseball Continued At M-RH

After much debate, M-RH again had a baseball team this year, and the spirit and enthusiasm of the students rose to greater heights. Equipped with new uniforms, the team got off to a bang-up start winning from Mercy which had had an 8-1 record and played hard the rest of the season. Coached by Pete Palumbo, the team was aided by such seniors as Sam Crawford, Del Norman, John Rush, Barry Claywell, and Bill Newmann who pitched the Mercy shutout. This year there is again a "B" baseball team coached by Mr. Ulrich.

"Oklahoma" Staged With

Left to Right: Ali Hakim, Jack Ruppel; Aunt Eller, Rosann Rahn; Will Parker, Lauren Neuman; Ado Annie, Gerry Buck; Jud Fry, Bill Clymor.

Left: The Boss Man, Mr. Jerry Gotler and the Dance Lady, Miss Pat Meisel.

Right: Curly, Wade Althen and Laurey, Nikki Furla.

Rogers and Hammerstein's "Oklahoma" will be long remembered by all who saw it as an outstanding high school production. The operetta, presented March 18 and 19 by the Maplewood A Cappella choir under the apt direction of Jerry Gotler, drew a "standing room only" audience for its final performance.

A special feature of the operetta was its choreography. Mr. Jerry Boyer directed the "Dream Ballet" in which he participated and Miss Pat Meisel directed all other dances. The work of these people was greatly appreciated.

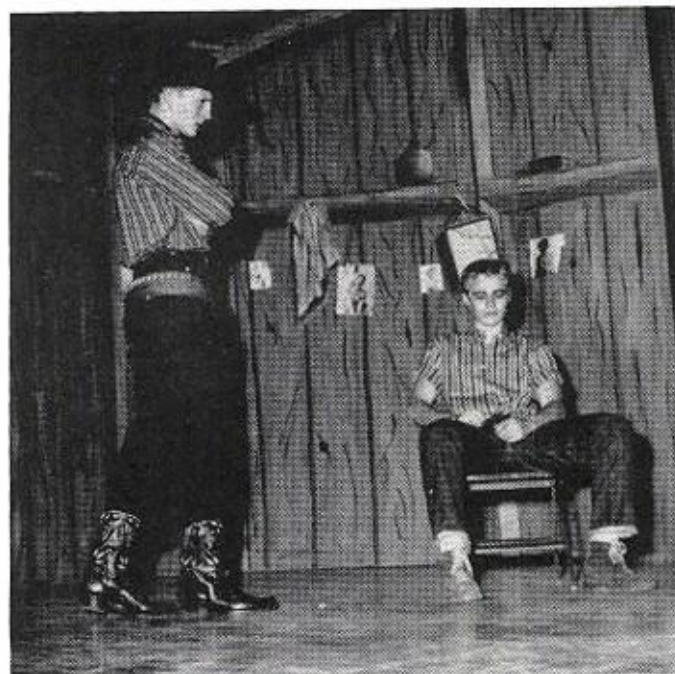

Standing Room Only

Marie,
I have enjoyed
riding the bus with
you & I have enjoyed
being in the car with
you last year.
I have enjoyed
Chargers until
May just bless you.
Love
Stella

Hi Ruthie,
Keep that
wonderful smile
always.
Love
Norma

Remember, There is
where you find end of
hope you will find more
than your share.
Harold Fisher

Hey! Let's
get together next
year. Kiddo!
You're a "barrell"
of fun. Sharon
Joller

To Marie
A sweet and
pretty girl, who
has a terrible inferiority
complex. Now you get over
it and stop worrying about
every thing and every body so
much; and you'll get along a lot
better. Now let's go someplace and
celebrate celebrating O.K.
Love & X's "toast"
Melba
